Assistant Personnel Director

General Counsel

1. Reference is made to your memorandum of 11 July 1951, concerning the appointment of [REDACTED] as a consultant.

2. The employment of consultants is governed by CIA Regulation [REDACTED]. If the provisions of this Regulation are complied with, there is no legal objection to the appointment of [REDACTED] as a consultant, under the conditions shown on the Personnel Action Request. There is nothing illegal in hiring a consultant for a six-month period, nor in paying him \$35.00 per day, nor in limiting his work week to four days.

3. The correspondence in connection with this case indicates [REDACTED] would expect per diem in lieu of subsistence for days spent in Washington, as well as travel expenses for a weekly round-trip between here and New York. Such expenses are payable only to intermittent experts and consultants, and it appears from the file that his services will not be intermittent.
